# TWILIGHT AND HOLIDAY CEREMONIES

*Exchange vows beneath the glow of the historic church.*

## SEASONAL OFFERINGS

### *Holiday Lights Ceremony*

Exchange vows beneath the glow of Historic Polegreen Church lit for the Christmas season. Available as an add-on to our wedding packages from the Illumination weekend through the second week of January, this evening ceremony places you in a place where Virginia's story began, with the old church ruins outlined in warm white light. Ceremonies are timed to the early winter sunset so your guests arrive in the last light of day and finish in the glow of the lights. It is a quiet, memorable setting for couples who want their wedding to feel like a holiday, and one that no other venue in Hanover County can offer.

### *Twilight Ceremony by Candlelight*

Say your vows as the day turns to dusk at Historic Polegreen Church. Offered as an add-on to our wedding packages from the third Saturday in January until the clocks change in the spring, and again from the fall time change until the Illumination, the twilight ceremony is timed to the setting sun and lit by candlelight. The old church site is at its most atmospheric in the evening, and the cooler months give your wedding a calm, intimate feel. It is a beautiful way to celebrate during our off season, in a place with more than 270 years of history.
